Professional Experience

Manhattan Beer and Beverage Distributors Corporate Driver | February 2024 – Present
Bronx, New York

- Provide frontline support in a fast-paced corporate and logistics environment where accuracy, communication, and problem-solving matter every day.
- Troubleshoot handheld devices, mobile systems, and basic connectivity issues to help maintain operational continuity.
- Document issues and resolutions, communicate clearly with internal users and leadership, and follow structured processes under time-sensitive conditions.

FedEx Ground Route Driver | July 2022 – June 2023
Yonkers, New York

- Managed high-volume routes while meeting safety, service-level, and performance standards. Demonstrated reliability, time management, and customer-facing professionalism in a metrics-driven environment.
